KYJO Concert Tour to The Rhineland

The Rhine and Moselle Valleys are both very popular and successful destinations for our young performing groups. These two regions sit next to each other are bound together by the confluence of the two rivers at Koblenz. The Rhineland, with its sweeping vineyards, quaint half timbered houses and imposing castles, is steeped in legend and history. The Moselle Valley, quieter and less scenically dramatic than its neighbour, is no less interesting. The wine town of Cochem has a lively atmosphere and an imposing castle, while the Roman city of Trier with its mighty city gate, the Porta Nigra, makes an interesting excursion.

Concert Venues

Possibilities abound along the Rhine and Moselle which are well trodden by visitors, particularly in the summer months. Venues include music pavilions, stunning marble spa Halls, wineries, churches and charming town squares.

Sightseeing and Excursions

When they are not performing, the students will have plenty of time to visit some of the most notable landmarks in this region such as Cologne, Cochem and Trier. Phantasialand Theme Park is also very popular with groups.

Accommodation...

The youth hostels situated all along the Rhine down through the Moselle are perfect for youth ensembles with plenty of recreational and rehearsal facilities, modern, well designed, rooms with private bathrooms and often with great outdoor facilities including barbecue and located in quiet residential areas.

We will be staying at the Bacharach Youth hostel which is in a castle!
